Middletown Township Welcomes Its Newest Police Officer

Gabriel Fisher grew up in Bensalem and graduated from Bensalem High School in 2019. Shortly after graduation, he answered the call to serve his country and enlisted in the United States Air Force, where he served honorably as a member of Security Forces until 2023.

After completing his military service, Gabriel worked with a great team at Liberty Coca-Cola while pursuing a degree in Civil Engineering. During this time, he discovered his true calling: to serve his community as a police officer. With determination and hard work, he successfully navigated the hiring process and is now a proud member of the Middletown Township Police Department,

attending the Montgomery County Police Academy. Gabriel is excited to serve the Middletown community and looks forward to a safe and fulfilling career protecting and serving our residents.

Stay Safe This Winter: Snow Tips and Reminders for Middletown Residents

As the cold weather is still here, it is important for residents to be prepared for snow and ice. The Department of Public Works employees work hard to keep our roads and residents safe. By following these reminders, you can help make winter weather easier and

safer for everyone:

- Be patient.
- Remove vehicles from the streets within one hour of snow beginning to fall until 12 hours after the snow has ended to avoid being fined.
- Remove basketball nets from the street.
- Do not push shoveled snow into the street.
- Keep a minimum of 200 feet distance when following a snowplow in your vehicle.
