## Supervisors Advance Projects Supporting Residents' Health and Safety

At their September 8th meeting, the Middletown Township Board of Supervisors addressed a number of important community initiatives. The Board proclaimed September as Ovarian Cancer Awareness Month, raising awareness and showing support for those impacted by the disease.

The Board of Supervisors authorized execution of a Memorandum of Understanding (MOU) with the Penndel Fire Company for the joint ownership of Tower 8 Fire Apparatus. This partnership helps ensure that critical fire and rescue equipment is maintained and service is readily available to protect residents in both Middletown Township and neighboring communities.

Several community investments were advanced during the meeting, including approval of St. Mary Medical Center's MRI Expansion project, which will enhance local healthcare services. The Board also accepted a \$160,400 Community Development Block Grant (CDBG) to fund 22 new ADA-accessible curb ramps in the Juniper Hill neighborhood. The project was awarded to the lowest bidder, NJS, for a total of \$158,373.75.

Looking forward, the Township is applying for a PennDOT TASA Grant to help close sidewalk gaps along Woodbourne Road between Oxford Valley Mall and Woodbourne Station, further supporting our Multimodal Plan and improving safety and connectivity for pedestrians. The next Board of Supervisors meeting will include a Capital Budget Workshop on Monday, October 6th at 7:00pm at the Middletown Township Municipal Center.

## Get Fired Up for Safety at Middletown's Fire Prevention Expo

## Middletown Township FIRE PREVENTION EXPO 2025

Are you ready to learn how to protect your home and family from fire while having fun?

The Middletown Township Fire and Emergency Services Department invites you to the Fire Prevention Expo:

- Date- Saturday, October 11, 2025
- Time- 10:00 AM – 2:00 PM
- Location- Restaurant Depot Parking Lot
- **FREE to attend – no tickets required!**

The Fire Prevention Expo is part of Fire Prevention Month here in Middletown. The goal of Fire Prevention Month is to raise fire safety awareness and help ensure your home and family are protected from the damage of fire.

The Middletown Fire and Emergency Services Department will be joined by the four volunteer fire companies that serve Middletown Township: Langhorne-Middletown Fire Company, Parkland Fire Company, Penndel Fire Company, and William Penn Fire Company. Residents are invited to enjoy live fire demonstrations, meet our police, EMS, and Bucks County Special Operations teams, and check out fun kids' activities, including visits from Marshall from Paw Patrol and other characters! Families can explore a fire truck display, see the Temple Med Flight Helicopter up close, and stop by the Bucks County Sheriff's Office booth for popular child IDs. Plus, grab a bite from local food trucks and shop from community vendors.

## September is Ovarian Cancer Awareness Month: Know

# the Signs and Take Action

Middletown Township is joining communities across the nation in recognizing September as Ovarian Cancer Awareness Month. This month serves as a vital reminder to raise awareness, support research, and encourage early detection of a disease that affects thousands of women each year.

Ovarian cancer is often called the "silent killer" because its symptoms can be subtle and easily mistaken for other health issues.

Early detection is crucial, but unfortunately, many cases are diagnosed in later stages when treatment is more difficult. To learn more about prevention and risk of ovarian cancer [click here](#).

## Spread Awareness:

- Wear teal, the official color of ovarian cancer awareness, to show your support.
- Share educational resources with friends, family, and on social media.
- Participate in local awareness events or fundraisers that contribute to ovarian cancer research.

Together, we can make a difference by spreading awareness, encouraging regular check-ups, and supporting those affected by ovarian cancer. For more information on ovarian cancer and ways to support ongoing research, visit the [Ovarian Cancer Research Alliance \(OCRA\)](#) or talk to your healthcare provider. Let's come together this September to fight ovarian cancer and make a lasting impact on women's health.
