**Longtime Parks & Recreation Director
Paul Kopera Retires**

After many years of dedicated service to Middletown Township, longtime Parks & Recreation Director Paul Kopera has announced his retirement, leaving behind a lasting legacy of leadership and community impact.

Throughout his tenure, Paul played a vital role in shaping Middletown Township's parks and recreation system, helping to expand programs, enhance public spaces, and create opportunities for residents of all ages to connect, stay active, and enjoy their community. His leadership helped guide improvements to Township parks, strengthened community events, and ensured residents had access to high-quality recreational experiences.

Paul's vision and commitment to public service have made a meaningful and lasting difference in Middletown Township. His work has not only enhanced the Township's recreational offerings but has also helped improve the overall quality of life for residents.

We thank Paul for his years of dedication, leadership, and service to Middletown Township, and we wish him all the best in his retirement.

Excellence in Recreation and Parks Award

Middletown Township's Parks & Recreation Department has once again been recognized for excellence, receiving the prestigious Excellence in Recreation and Parks Award from the Pennsylvania Recreation and Park Society (PRPS) for their Charity Car Show benefiting Fostering Hope.

This marks the second consecutive year the department has received this statewide honor, highlighting Middletown Township's continued commitment to offering meaningful, high-quality programs for residents.

The Charity Car Show was created to support Fostering Hope, a nonprofit organization dedicated to serving youth in foster care by providing essential resources, support, and opportunities. The event brought together residents and families from across the community while raising awareness and support for an important cause.

The PRPS Excellence in Recreation and Parks Award recognizes outstanding programs and initiatives that demonstrate creativity, innovation, community impact, and excellence in parks and recreation. Last year, Middletown Township received the same recognition for its Teen Talent Show, further reflecting the department's ongoing efforts to create engaging and impactful programs for residents of all ages.

This continued recognition is a testament to the Parks & Recreation team's dedication to building strong community connections and enhancing quality of life in Middletown Township.

Congratulations to the Parks & Recreation Department on this outstanding achievement.

Black History Month

The Board of Supervisors recently declared February as Black History Month in Middletown Township, underscoring the importance of recognizing and celebrating the profound contributions and achievements of Black individuals throughout history. This dedicated month provides an opportunity for our community to reflect on the rich cultural heritage, resilience, and remarkable milestones that have shaped the narrative of the Black community. It is a time to honor the countless leaders, visionaries, and unsung heroes who have left an indelible mark on the world, contributing to the progress and inclusivity we cherish today.

By acknowledging Black History Month, we collectively affirm our commitment to fostering understanding, appreciation, and unity within Middletown Township.

Middletown Township Welcomes Interim

Parks & Recreation Director

As Middletown Township bids farewell to longtime Parks & Recreation Director Paul Kopera upon his retirement, we are pleased to welcome Monica Tierney as Interim Director of the Parks & Recreation Department.

Monica brings more than 15 years of experience in parks administration, financial management, and community engagement. Most recently, she served as Parks & Recreation Director for Lower Makefield Township, where she oversaw more than 700 acres of parkland, an aquatics complex, and a community center, while leading a large and dedicated team.

Throughout her career, Monica has demonstrated a strong commitment to enhancing public spaces and expanding recreational opportunities for residents of all ages. Her leadership has helped strengthen community programs and improve access to quality parks and recreation services.

Monica holds a Master of Business Administration from Temple University and a Master of Education from Texas State University and is a Certified Parks & Recreation Executive (CPRE).

We welcome Monica to Middletown Township and look forward to her leadership in continuing to provide high-quality parks, programs, and community events for our residents.
