Celebrating America's 250th Birthday

This Fourth of July, Middletown Township proudly joins communities across the nation in celebrating America's 250th birthday.

On July 4, 2026, our country marks the 250th anniversary of the signing of the Declaration of Independence a historic milestone honoring the ideals of freedom, democracy, and opportunity that continue to unite us today.

As we celebrate this once-in-a-generation anniversary, we encourage residents to enjoy the holiday safely with family, friends, and neighbors. Whether you're attending a local celebration, displaying the American flag, or watching fireworks, let's take a moment to reflect on our nation's history and the community we continue to build together.

**Please note that the Middletown Township Municipal Center will be closed on Friday, July 3, in observance of Independence Day. There will be no changes to the trash collection schedule, as the holiday falls on a Saturday.**

From all of us at Middletown Township, we wish you a safe, happy, and memorable Independence Day as we celebrate 250 years of America. **Happy Birthday, USA!**

**FIREWORK LAWS**

— ★ ★ ★ —

As we gear up to celebrate Independence Day, it is essential to remember that there are specific laws regulating the display of fireworks in Pennsylvania. While purchasing fireworks is legal, discharging them is highly restricted, especially in Middletown Township and the surrounding suburban Philadelphia areas.

#### Key Fireworks Regulations:

- 1. Distance Restrictions:** Fireworks cannot be discharged within 150 feet (about half of a football field) of any structure, whether occupied or not.
- 2. Prohibited Areas:** Discharging fireworks is prohibited on all public property, including streets, parks, schools, and open spaces.
- 3. Vehicle Restrictions:** Fireworks cannot be discharged from or toward any motor vehicle or building.
- 4. Private Property:** Fireworks can only be discharged on private property with the explicit permission of the property owner.
- 5. Safety Concerns:** Fireworks cannot be used by anyone under the influence of drugs or alcohol.

Although fireworks might seem fun and harmless, they pose significant dangers to yourself and others. Improper use can lead to severe injuries or even fatalities. Please be considerate of your neighbors and the broader community. Let's all contribute to making this Independence Day a safe and enjoyable holiday for everyone.
