Leading the Way: Women Shaping the Future of Middletown Township

This March, Middletown Township joins communities across the country in celebrating Women's History Month, recognizing the impact of women who lead, serve, and inspire. This year's theme, "Leading the Change: Women Shaping a Sustainable Future," reflects the meaningful contributions of women who are helping build stronger, more connected communities.

Click below to read more about the two women serving on Middletown Township's Board of Supervisors and the leadership guiding our community forward.

Middletown Parks & Recreation Earns Two Statewide Honors at PRPS Conference

Middletown Township's Parks & Recreation Department has earned two statewide honors from the Pennsylvania Recreation and Park Society (PRPS), recognizing both impactful programming and forward-thinking park design.

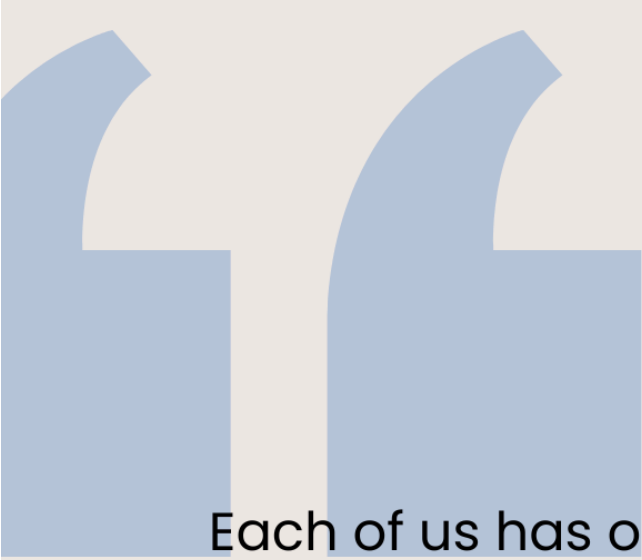

The department received the Excellence in Recreation and Parks Award for its Charity Car Show benefiting Fostering Hope. This marks the second consecutive year Middletown has received this award, highlighting its commitment to meaningful, community-driven programming.

In addition, Middletown Township was recognized through the PRPS Statewide Initiative for its work at Lions Park. This honor recognizes communities implementing evidence-based park design that supports inclusion, physical activity, and connection to nature.

Together, these awards reflect the Parks & Recreation Department's dedication to creating engaging programs and high-quality spaces that enhance the lives of Middletown residents.

Congratulations to the Parks & Recreation team on this well-deserved recognition.

Developmental Disabilities Month

Each of us has our own goals,
abilities, and needs.

When those needs are met,
something truly special develops —
not just for individuals with
disabilities, but for everyone.

James Henderson
